The Heart of Ohio Ferret Association's Ferret Buckeye Bash is perhaps the largest ferret show in the United States. It is sanctioned by the American Ferret Association and was featured in the PBS show *Ferrets: The Pursuit of Excellence* by Mark Lewis.

The Ferret Buckeye Bash includes not only specialty and championship ferret judging, but also offers educational talks, raffles, vendors with ferret-related products, games, contests and more.

This year's event takes place on August 28, 2010. Scarlett Gray-Saling, one of the organizers of the show, provides a glimpse into what a day spent at the Ferret Buckeye Bash is like as she offers captions to photos. Photos are courtesy of Digital by Joe and Suzy, www.digitalbyjoe.us. Enjoy!
