Our treat for you this Halloween is to hold a scavenger hunt with great prizes!

Everyone who finds the hidden item will receive 1,000 Club Critter points. Additionally, three winners receive a terrific Super Pet product for their small animal pet. Example products are shown. The specific products can't be listed here, because these depend on the type of pets the winners own.

What are you searching for? The Super Pet Pumpkin! It's shown here. Your task is to find the Super Pet Pumpkin somewhere else on SmallAnimalChannel.com (not here and not on the homepage or in any ad or announcement about it; the pumpkin will be on its own within the main text of an article).

OK, the site is pretty big. So check out the official rules page for more information and tips on areas you don't need to check. The following three clues also will help you in your search of SmallAnimalChannel.com.

- 1) The Super Pet Pumpkin is hiding on a page that mentions Halloween.
- 2) A famous author is mentioned on the page.
- 3) You'll see rabbit drawings on the page.

Once you find the Super Pet Pumpkin, send an e-mail to SmallAnimalChannel at [smanimaleditor@bowtieinc.com](mailto:smanimaleditor@bowtieinc.com) or use the button below to send the e-mail. Mark the subject line "Super Pet Pumpkin" and include a link to the page where you found the Super Pet Pumpkin. Be sure to send your entry on or before October 31, 2009.

All Club Critter members who send an e-mail to SmallAnimalChannel with the correct location of the Super Pet Pumpkin on our website will receive 1,000 Club Critter points. Note that the e-mail sent must be the same e-mail used to sign up for Club Critter, or points cannot be awarded. Club Critter points can be used to purchase items in the avatar shop or redeem prizes from the Critters Rewards Catalog.
