

Pet Appreciation Week Script

Create a Public Service Announcement video for Pet Appreciation Week!

(Speaker)

Pet Appreciation Week, which runs June 7 through June 13, is a chance to celebrate how important the animals in our lives are to us all. It's a time to do something special to show how much you care, whether your pal is furry, feathered, slimy, scaly, woolly, or long maned.

(Speaker)

So celebrate the animals in your life. Spend some quality time with your four-legged companions, or volunteer at your local animal shelter or rescue society.

(Speaker)

Pets give so much to us – let's give something back to them. Show the world that it pays to be kind to animals everywhere – any week of the year.
