

## Hats Off To The Mouse

**From Mickey Mouse to the more obscure mice in our history, we celebrate this loveable rodent's positive effect on our lives.**

*By Ifsha Buttitta*

Whether or not you consider yourself a mouse aficionado, this little rodent probably has affected your life. In preschool did you sing the nursery rhyme "Three Blind Mice"? Do you remember tuning in to the Mickey Mouse Club every week? Maybe your favorite mouse character was Ralph S. Mouse, the adorable hero of the Beverly Cleary book series *The Mouse And The Motorcycle*.

In all kinds of categories, mice inspire us with their whimsy and make us remember a time when we embraced their innocence. Let's take a look at some mice from pop culture with the following lists; space limitations allow details about only the first three in each list, but that leaves more for you to explore!
