

New Products For Critters

Manufacturers and sole distributors of products for small animal exotic pets can be part of the next Critters USA new product chart!

Tell us about your new products for small animal exotic pets. Any product your company makes or is sole distributor for that was introduced since June 2009 will be considered for inclusion in the next new product chart in Critters USA magazine.

To submit information, click [here](#). Type all the required information below into the body of your e-mail.

Required Information

Product Name:

Product Description (approx. 50 words; include anything applicable to a description, such as dimensions, colors, materials/finish, ingredients, suggested retail price.
