

## Expand Your Ferret's Living Space!

**Get creative and turn your ferret's habitat into a home.**

*By Erika Sorocco*

Some people spend countless hours studying Feng Shui, moving couches, changing color schemes — all in an attempt to be satisfied with their living space, to say that their humble abode is finally a place to call home.

But what about the habitat of our fur babies? Some ferret owners purchase the first cage that catches their eye, toss in a few toys and call it a day. Other ferret owners take as much pride in their ferret's setup as they do in their own room setup. After all, ferrets deserve to have a place all their own that is equipped with enough hidey-holes, toys and accessories to make their tiny hearts sing.

You, too, can expand your fuzzy's living space horizons; and the best way to learn how is via the masterpieces concocted by other ferret owners.
