Marshall Pet Products now offers the Ele-fun, an interactive toy that can provide hours of fun for your ferrets. The Ele-fun is a cozy toy made of soft material with a hanging bell toy inside and crackle material in the ears. Ferrets will also love to tunnel through the two openings. The Ele-fun easily accommodates multiple ferrets and will keep them entertained and happy. Another feature of the Ele-fun is that it can be used alone or connected with other Marshall products to create an interactive play area for your pet.
