

## April 2009 Product Spotlight, Habitat Defined Ferret Cage By Super Pet

**This contest has ended and one lucky winner won a Habitat Defined Ferret Cage from Super Pet!**

Posted: April 1, 2009, 5 a.m. EDT

Super Pet® introduces Habitat Defined™ Homes for ferrets, which it says are the next generation of small animal habitats. Habitat Defined™ homes provide an elite living space measuring 30.25 inches long by 18 inches wide by 57.5 inches high (with stand). Each cage features cutting-edge Super Protect™ Antimicrobial Technology. This technology is built in to all plastic surfaces to ensure a healthier, cleaner environment. Unique rounded corners and an extra-deep base make cleaning almost effortless. A large, top-opening door allows for easy access to pets. This spacious habitat features wavy ramps, comfort shelves, a locking food dish and a stand for mobility. Spring-loaded door locks provide added security.
