[Click to enlarge](#) This 12-month hanging wall calendar measures 5 ½ by 8 inches and opens up to 8 ½ by 11 inches. It was produced by LegalizeFerrets.org as a fundraiser and features photography by Jamie L. Koraus. Each month features a cute themed photo of a ferret. Also included each month are a ferret fact and a short story on how the ban on ferret ownership in the state affects Californians. The grid format for each day allows space for notes. The calendar lists major holidays and the phases of the moon. The last pages include information on how to join the 3000 Club and become more aware and involved in the legalization efforts in California. Visit the LegalizeFerrets.org website for more information and details on ordering.
