Emu oil forms the base and is what makes the Totally Ferret Vivify nutritional supplement for ferrets so unique. Emus are ancient, flightless birds whose meat and fat are thought to have mystical properties and numerous internal and external healthful benefits.

The properties of Emu oil that make it so unique and beneficial to the entire line of Totally Ferret nutrition foods and treats are:

100% all-natural and a rich source of Omega 3 – 6 – 9

Hypoallergenic

Natural anti-inflammatory

Anti-bacterial

Anti-fungal

No toxins, such as heavy metals, herbicides, pesticides, arsenic or other carcinogens, guaranteed through our unique molecular distillation purification process.

Purified in our USDA-inspected facility, which is also ISO-certified.
