High fashion for ferrets? Of course! Totally Ferret offers Hudson Ferret's Bear Play rug, created exclusively for them by Little Feet Ferret Retreat. This "in cage" or "out of cage" rug is a wonderful, fashionable and fun addition to any ferret's home. It measures 17 by 22 inches and is made from velveteen and fleece. Ferrets can crawl inside. It's great for ferrets to take a nap, hide toys or hide inside and wait for other ferrets to run by and jump out at them dooking. (This is Isabella Gucci Jones' favorite game; she's Hudson's sister and has a girl version of the Bear Play rug named after her.)
